

# Errata and Additions Sheet

\* Tuning Display (addition)

\* Addition (page 12)

Parameter Number 6: HOLD

Make sure to turn off the hold function before executing any program changes; the synthesizer may not sound if the hold function is kept on during program changes. Simply release the footswitch controlling the hold function before executing the program change.

\* MIDI IMPLEMENTATION Correction

1-3 SYSTEM EXCLUSIVE MESSAGES I  
DEVICE ID

Byte	Description
1111 0000	Exclusive Status
0111 1110	7Eh
0CCC CCCC	Channel
0000 0110	06h
0000 0010	02h
0100 0010	KORG ID
0001 1101	Z3 ID
0000 0000	00h
0000 0000	00h
0000 0001	01h
ORRR RRRR	ROM No.
0000 0000	00h
0000 0001	Program Version
